We formed in 2000 and we have developed a voluntary service to be proud of. We have a small but committed team, who are passionate about helping those who sufferer from an eating disorder not forgetting their family and friends.

We operate a strict Confidentiality Policy so please don't worry—all calls are in the strictest of confidence.

You would be asked to be a member to benefit from this service. The fee is just £1.00 per person per annum. All the necessary paperwork will be organised for you.

You will also be asked to acknowledge the Terms and Conditions of this service. Again this is very simple and will be organised by our secretary.

If you think this scheme is for you just contact the group secretary Marg, she will organise everything on your behalf and the Telephone Buddy will then contact you direct.

In our experience we recognised that those people who do not have a 'network' of support around them are the ones that struggle. They feel isolated and that they are not worthy of help and support.

Don't let this happen to you. Let a Telephone Buddy become part of that 'network' Just knowing someone is there for you is a comfort in itself!
